What does COP (Citizens on Patrol) Cornwall DO?

- We **DRIVE** around Cornwall, always in groups of two volunteers together. We patrol businesses, streets and public areas.
- We act as **"EYES & EARS"** for the RCMP: If we notice any concerns or suspicious activity we contact the RCMP.
- Our presence is a deterrent against crime.
- COP Reports are viewed by RCMP to note trends/issues.
- We **DON'T** intervene directly- we simply call RCMP.

Ask Yourself:

Do I have a couple extra hours each month to volunteer and help make my community safe?

If you answered -**YES-** then contact us for more information today!
